Hi Chris,

Attached is a spreadsheet of all Hyundai Elantra's that fit the description given. I provided all the info that we have from both Citation Processing (our ticket system) coupled with the DOL returns. I will put those actual printouts in your mailbox in case you want them as well. On the spreadsheet where I marked "Photo", that means we have an actual photograph of that vehicle in the Citation Processing system. Let me know if you need anything more.

Also, I spoke with Liz. Our old (2021) residential parking permits have been destroyed. I'm not able to go through them like I was for this years.
