Lawrence - Supplemental report - Initial response

On 11-13-2022, at about 1200 hours, Capt. Berrett called me and informed me there had been multiple victims of a homicide located in a residence on King Road and requested all available detectives. I called Det. Vargas and was informed she was out of town and would be back in Moscow on Monday morning. I called Det. Mowery and he informed me he would be on his way shortly. I called ISP Lt. Mike Mooney and told him I need assistance from ISP detectives in processing the crime scene. Lt. Mooney put me in contact with Sgt. Gilbertson. I briefed Sgt. Gilbertson on what I knew and he told me he would start to assemble his team.

I responded to the scene where I met with Sgt. Gunderson. Sgt. Gunderson informed me that officers were dispatched to an unconscious person at 1122 King Road and that is when they found four deceased college aged people in the residence. I told Sgt. Gunderson I needed someone from his team to return to the Police Department to start writing an affidavit for a search warrant. Sgt. Gunderson asked Officer Nunes to handle that task.

I then did a very brief walk through of the residence. I entered the residence from the entrance on the North side of the building. Officer Warner who was securing the scene logged my entrance into the residence. I then went up the stairs and located a deceased female on the floor and male in the bed in the West bedroom on the second floor. I climbed the stairs to the third floor and located 2 deceased females in the south east bedroom. They were both in the bed. I spoke with Officer Smith who was securing the residence at the south entrance for a moment then I exited the residence through the north entrance. Officer Warner noted my departure.

I called Sgt. Gilbertson and informed him of the additional information provided to me and what I had seen. I told him MPD would be needing their assistance. I also told Sgt. Gilbertson MPD had an officer writing an affidavit for a search warrant.

I returned to the Police Department where I met with Sgt. Blaker and Cpl. Payne whom I had called earlier and requested they respond to the PD. At this time Det. Mowery was at the Police Department. I requested they interview the other occupants of the residence where the deceased were located. There were also several friends of the deceased who had been with the deceased the night before

and may have had information of their whereabouts and who they were with prior to the murders. Those interviews started at about 1348 hours. Those to be interviewed arrived at the PD about 1330 hours. I put them in the training room and provided them with drinks and snacks.

Capt. Lanier arrived and asked me how he could help. I requested he find officers that were not already tasked and complete a canvas of the neighborhood. Capt. Lanier took care of the neighborhood canvassing.

At about 1423 hours J [REDACTED] K [REDACTED], the [REDACTED] Xana, arrived at the PD. He was informed of Xana's death by Capt. Dahlinger. Capt. Berrett informed me Ethan Chapin's family had been notified of Ethan's death. Capt. Berrett asked me to take care of the death notifications for Maddie Mogen and Kaylee Gonclaves. Capt. Berrett provided me with the information the university had on file for Mogen and Gonclaves. There was no emergency contact information for either so I called Kootenai County Dispatch due to Mogen and Gonclaves home addresses being in Kootenai County. I provided M [REDACTED], the KCSO dispatcher of the addresses listed with the university for Madison Mogen and Kaylee Gonclaves.

M [REDACTED] told me she had the names S [REDACTED] and C [REDACTED] G [REDACTED] listed as residents of the address provided for Kaylee Gonclaves. I requested a death notification for them. I was contacted by Deputy Mitch Jan from KCSO. He asked what he could tell the parents and I informed him we knew very little at this time. A short time later Deputy Jan called me and told me that when he arrived to give the notification the parents were already aware.

I also provided Madison Mogen's address and M [REDACTED] was not able to locate anyone with the name Mogen at that address. M [REDACTED] said she would send an Coeur d'Alene PD officer by the residence to make contact. A short time later Officer Matt Sychis request I call him. When I made contact with Ofc. Sychis he told me S [REDACTED] and K [REDACTED] L [REDACTED], [REDACTED] of Madison Mogen were driving to Moscow. About 20 minutes after my conversation with Ofc. Sychis the L [REDACTED] arrived at the PD. Capt. Berrett gave the death notification. Capt. Berrett requested I interview them.

I spoke with S [REDACTED] and K [REDACTED] in the lobby interview room. They told me they had a great relationship with Madison. She got along with everyone. She had a strong relationship with her boyfriend, J [REDACTED] S [REDACTED] who lives in Boise and that she had just gone to Boise to see him the weekend prior. Madison and J [REDACTED] had been dating for about a year and a half and J [REDACTED] is from [REDACTED]. I asked if there were any problems with past boyfriends and there were none to their knowledge. I asked if Madison had mentioned any stalking behavior from anyone or anyone that made her uncomfortable and she said she never spoke of anything.

The rest of my shift was spent allocating resources where they were needed.
