3. Narrative

On November 13, 2022 at approximately 1437 hours, I interviewed J [REDACTED] D [REDACTED] at the Moscow Police Department reference the quadruple homicides which occurred at 1122 King Road. D [REDACTED] was the [REDACTED]. D [REDACTED] consented to have his phone forensically searched and provided me with his cell phone at the beginning of the interview.

I asked D [REDACTED] to tell me about his day on November 12, 2022. D [REDACTED] stated he worked at [REDACTED] and worked from 1400 hours to 2210 hours on November 12, 2022. D [REDACTED] stated he left his work and dropped off some food for a friend working at the Corner Club. D [REDACTED] stated he went home ([REDACTED] King Road) then returned to the Corner Club around 2300 hours.

D [REDACTED] stated he saw Goncalves at the Corner Club and spoke to her briefly. D [REDACTED] stated he left the Corner Club but was unsure if Goncalves left before or after him. D [REDACTED] stated he went to bed when he got home. When D [REDACTED] awoke, he told me he saw "commotion down the street". 1122 King Road is visible from [REDACTED] King Road.

D [REDACTED] stated he later looked at his phone and saw several missed calls from Goncalves and Mogen from the early morning hours of November 13, 2022. I clarified D [REDACTED] timeline for the night prior. He told me he left the Corner Club at approximately 0100 hours and returned home. D [REDACTED] said he got a ride from P [REDACTED] R [REDACTED], the [REDACTED] of [REDACTED] (D [REDACTED] fraternity). He told me he thought he went to sleep at approximately 0130 hours and awoke at approximately 1130 hours on November 13, 2022.

I asked D [REDACTED] to tell me what the "commotion" was he mentioned. D [REDACTED] told me he saw law enforcement and emergency vehicles in front of 1122 King Road, so he walked over to see what was happening. I asked D [REDACTED] to clarify the missed calls he received early that morning. D [REDACTED] told me he received multiple calls from Goncalves and Mogen, one of which was Facetime, between 0240 to 0300 hours. D [REDACTED] stated he knew Mogen for some time but she would not call him for any reason. D [REDACTED] also said Goncalves text him to tell him he could come to her house to retrieve his vape pen.

I asked D [REDACTED] if he noticed or heard anything suspicious anytime recently. D [REDACTED] stated he saw a dark gold minivan backing up King Road approximately one to two months prior. D [REDACTED] stated he did not remember any other suspicious circumstances. D [REDACTED] did add Goncalves would call him on occasion when she was walking home alone or when "she was feeling sketched out". D [REDACTED] stated there were people coming in and out of 1122 King Road frequently and "more people knew the code to their door than they should have". D [REDACTED] stated he was not sure if the residents regularly locked the rear sliding glass door.

D [REDACTED] also told me he and Goncalves owned a dog, a Goldendoodle named Murphy, with Goncalves. He also told me Goncalves was taking the dog out sometime in the past when Goncalves saw a shadowy figure behind the house. D [REDACTED] stated nothing else came of the incident.

I asked D [REDACTED] about his relationship with Goncavles. He told me they had dated for approximately five years and broke up several months prior due to a "loss of spark" coupled with Goncalves leaving for a job in Texas. D [REDACTED] stated there wasn't conflict and the breakup was mutual. I asked D [REDACTED] if there was anyone who flirted with Goncavles. D [REDACTED] stated there was a male by the name of E [REDACTED] R [REDACTED] who often flirted with Goncalves. D [REDACTED] did not know of any past stalking incidents nor did he know who would have committed the murders.

I asked D [REDACTED] about his conversation with Goncalves at the Corner Club. He said the conversation was short but normal. D [REDACTED] did not have any further information for me during this interview, so I concluded my interview with D [REDACTED].
