Initial Interviews

Case # 22-M09903
Date: 11/15/2022

On November 13, 2022, I was directed to interview potential witnesses in regards to the incidents at 1122 King Road. The following interviews were conducted at the Moscow Police Department.

Interview 1:

D [REDACTED] M [REDACTED] DOB: [REDACTED]/2003 PH: [REDACTED]
Address: 1122 King Rd

On 11/13/2022 D [REDACTED] M [REDACTED] was interviewed in regard to the homicide investigation at 1122 King Road. D [REDACTED] said she was a resident of the house where the incident occurred. D [REDACTED] said she was at a [REDACTED] party, at around 1030 hours on 11/12/2022, where she was drinking. D [REDACTED] said she went to "[REDACTED] house". D [REDACTED] said she believed she arrived home between 0030 hours and 0100 hours on 11/13/2022. D [REDACTED] said she thought B [REDACTED] arrived home at around 20 minutes after she arrived.

D [REDACTED] said she believed Maddie and Kaylee arrived home at around 0130 or 0200 hours on 11/13/2022. D [REDACTED] said up to this nothing weird had happened during the night. D [REDACTED] said she and her friend "I [REDACTED] (?)" came home, followed by B [REDACTED] from [REDACTED]. D [REDACTED] said I [REDACTED] lived at the [REDACTED] house and B [REDACTED] was her roommate at the residence. D [REDACTED] said when Maddie Mogen and Kaylee Gonclaves came home from the corner club at the same time, and everyone went to bed.

D [REDACTED] was asked about the layout of her house. D [REDACTED] said Kaylee's room was directly above her room. D [REDACTED] said she lived on the 2nd floor and Kaylee lived on the 3rd floor. D [REDACTED] said Kaylee and Maddie both live upstairs on the 3rd floor in separate rooms. D [REDACTED] said Xana lived closest to the bathroom on the 2nd floor and B [REDACTED] lived on the first floor.

When asked about Murphy, D [REDACTED] said it was a dog owned in common between Kaylee and her ex-boyfriend J [REDACTED]. D [REDACTED] said there were no apparent issues between Kaylee and J [REDACTED]. D [REDACTED] said Maddie had a boyfriend named J [REDACTED] S [REDACTED] who was

in Boise at the time of the incident. D█████ indicated Xana was dating Ethan Chapin who was in the room with her at the time of the incident. D█████ did not know of anyone who would want to hurt Ethan, when she was asked. D█████ was asked if she saw any cars in the area that should not be there. D█████ said "No I was not really looking at that."

D█████ said she woke up at around 0400 hours on 11/13/2022, where she could here Kaylee and Murphy, the dog, dancing. D█████ said she knew it was Kaylee because she recognized her voice and could hear Murphy barking. D█████ said she heard Kaylee go upstairs and say "There is someone here." D█████ said thought she heard Kaylee run back down the stairs. D█████ said Kaylee sounded scared when she made this statement.

D█████ said at this time she jumped up locked the door because she did not know what else to do. D█████ said she called out Kaylee's name and did not indicate if she got a response. D█████ said she then tried to call Kaylee, Xana and Maddie on their phones. D█████ was asked if she saw anyone come downstairs or heard anything. D█████ said, "No, I don't even know how they got in. We're usually pretty good about locking doors and never had problems before. I was just really random."

When asked again about the series of events, D█████ said she opened the door when she cried out to Kaylee, then closed the door because she was scared. D█████ said she then opened the door again and heard who she thought was Kaylee, but could have been Xana, crying in the bathroom. D█████ said she then heard a man's voice say "It's OK I'm gonna help you." D█████ said it was weird because the statement was not in a nice way and the voice was one she had never heard before.

D█████ said she called out to Kaylee again and there was no crying after and she did not know what happened after that. D█████ said she opened the door again and "the guy" is right there. D█████ described the male as approximately her height (5'10") or a few inches taller, not skinny but athletic build. D█████ said the suspect was wearing all black with masks that covered just his forehead and goes around his face. D█████ showed with her hands the mask exposed his nose but covered the mouth area.

D█████ said she believed the suspect was white but did not remember eyebrow color or what his eyes looked like. D█████ said when she saw the suspect, he saw her and just left. D█████ said she believed he was holding something near his stomach or belt line. D█████ used both hands to point straight out from her abdomen. D█████ then moved her hands apart and back together to simulate a bulge. D█████ said this area was black in color and she thought now maybe it was a gun. D█████ said the unknown object had an arrow shape. D█████ seemed really unsure and said she was tired during the event.

D█████ was asked how long she believed it was from the time Kaylee said "Someone is here", to when she saw the suspect. D█████ said she thought it was about 10 or 20 minutes. D█████ went on to say she was "in and out of it" and she did not fully remember the incident. D█████ was asked where the suspect was at in the residence when D█████ saw him. D█████ said the suspect was between her bedroom door and the kitchen. D█████ said she remembered watching the suspect go out the kitchen door and leave. D█████ said at this time she closed her door and locked it as fast as she could. D█████ said the suspect did not walk toward her or say anything.

D█████ said once the suspect left she immediately called B█████. D█████ said

D [redacted] said she was in and out of it and believed everyone was just asleep. D [redacted] said she then went to E [redacted] room locked the door and went to bed.
