Tinder Warrant MogenUsers

Case # 22-M09903
Date: 1/30/2023

On December 22, 2022, 2022, I applied and was granted a warrant for the user subscriber information associated with accounts that communicated with Maddie Mogen's Tinder Account using the following identifiers:

On December 22, 2022, 2022, at approximately 1519 hours, the warrant was served via the Law Enforcement Portal (<https://www.lert.matchgroup.com/>).

On January 30, 2023, I received an email from Tinder stating the data requested pursuant to the warrant were available to download. I logged into the Law Enforcement Portal and began downloading the files to the forensic computers located in the secure forensic computer lab at the Moscow Police Department.

I completed the warrant return receipt and affidavit. These documents were sent to the Latah County Prosecutor's Office to be returned to the court. I also emailed a copy of the receipt to Tinder ([REDACTED]@match.com), as this was the originating email address associated with the documents.
